SUPPLEMENTAL AMENDMENT UNDER 37 C.F.R. § 1.115

Sir:

Applicants herewith submit the following Supplemental Amendment.

In the Claims:

No Claims have been amended. Claims 33-138 have been added. Claims 3-138 remain in the application. For the PTO's convenience, claims that remain unchanged are included below in order to allow the Examiner to review all pending claims from this response in their numerical order.

3. (Unchanged) A method of processing signals to control a presentation, said method comprising the steps of:

receiving a television signal containing television programming and communicating said television signal to a storage device;

receiving a first instruct signal which is effective to instruct a computer at a user station to supplement or complete said television programming at an output device;

selecting one of:
